

This is the letter sent on behalf of Junior League of Greenville to
WLOS in Asheville, NC:
March 23,2004

Ms. Julie Tallman
WLOS-TV 13
110 Technology Drive
Asheville, NC 28803

Dear Julie:

I would like to thank you and WLOS for the support of our recent fundraising event, Oscar Night® America. The PSA's you ran helped promote the event to people throughout our area. We have received some positive feedback on them, so I know they worked!

Thanks also for including the logo and event information on your website. It looked great.

We are still totaling up, but it looks like we will net at least \$38,000 this year. This money will go directly to five projects of the Junior League of Greenville. They are: the Greenville Free Medical Clinic; YWCA of Greenville; Imagination—the Children's Museum of the Upstate; South Carolina Children's Theatre, and the Washington Center.

As you know, this is our signature event and we rely on your support in order to maintain our status as an official Oscar® party. Thank you for your help. We look forward to working with you again next year.

Sincerely,

Nancy Kennedy
Chair, Oscar Night® America
